CO-OWNED DOGS

In the case of co-owned dogs, only one co-owner needs to be a CGRC and AKC member in good standing to be eligible for the CGRC Trophy. The dog's primary residence must be with the CGRC member. Primary residence means more than 6 months of the competition year.

APPLYING FOR THE TROPHY

To be considered for a trophy, members must apply in writing to the Trophy Chairperson. Application forms are available at www.chesapeakegrc.com. Members applying for a trophy must report wins, placements and/or scores along with the AKC name of the dog, owner's name, date and location of the show and the name of the judge. The deadline for submitting applications for the trophy will be published at www.chesapeakegrc.com

TROPHY RECIPIENT AGREEMENT

Because the CGRC trophy has significant and historical value which cannot be replaced, each member awarded a trophy is required to sign a Trophy Recipient Agreement before taking possession of the trophy.

TROPHY ENGRAVING

All CGRC trophies shall be engraved at the expense of CGRC. The trophy will be engraved with the winning dog's name following the layout, type size and typeface used by previous winners to maintain consistency. Titles to be engraved will be limited to American Kennel Club and/or GRCA titles. No additional information or wording shall be added to the trophy without specific approval of the CGRC Board of Directors. Trophies shall be engraved prior to the Annual Awards Banquet. The Trophy Chairperson shall be responsible for the engraving.

TROPHY DAMAGE

Once awarded, recipients are financially responsible for any damage to a trophy, including total replacement if the trophy is lost, stolen or destroyed. The full cost of any and all repairs deemed necessary by CGRC will be paid by the recipient. Any damage must be immediately reported to the Trophy Chairperson. No repairs of any kind are permitted to be authorized or completed by the recipient. Any recipient returning a damaged trophy will continue to be eligible to win future Trophies, but may not be permitted to take possession of the trophy. The Board of Directors will make the final decision.

NEW TROPHIES

New trophies may be recommended to the Board of Directors at any time provided they are not duplications of an existing award. Trophies should be offered for significant accomplishments only.

Donor Eligibility: No person may be a donor of more than one trophy at any given time. No other trophy may be offered by them or their immediate family until the previously offered trophy has been retired or withdrawn.

Trophy Ownership: Any trophy donated shall become the property of CGRC until permanently retired, if so stated. If any trophy has not been challenged for five years in succession, the Board of Directors may change the original stipulations with the donor's consent.

TROPHY CHAIRPERSON

The Chairperson shall receive all applications and recommend to the Board of Directors those applicants entitled to receive trophies based on the applications and eligibility requirements. In addition, the Chairperson shall:

1. Contact all current year recipients to ensure delivery of trophies that must be returned prior to the CGRC's Annual Awards Banquet.

Corey Trophy

Am. Can. Ch. Sunshine Hill Core Memory Am. Can. CD, Am. Can. WC. Can TT

The story of the Corey Trophy: by Sandy Selander

This trophy has been donated to the Chesapeake Golden Retriever Club by Dr. and Mrs. J. Michael Selander of Great Falls, Virginia in memory of "Corey," their first multi titled Golden. The trophy will be awarded annually at the Annual Banquet to the CGRC member whose owned or co-owned Golden Retriever achieves the most outstanding performance across multiple areas of endeavor during the past 12 month period. The trophy is to serve as an inspiration to all Chesapeake club members to strive to perfect the innate talents of their dogs in multiple areas.

The themes of this trophy have been artistically rendered by Marcia Schlehr. The trophy is composed of four bas relief bronze castings, which symbolize the Golden Retriever in breed, obedience, field and tracking competition. In addition, the top of the trophy is crowned with a bronze sculpture of a Golden laying down, and looking up at you. This is a reflection of our sentiment that above all else, Corey was first and foremost our family companion.

The point schedule for evaluating qualifications for this trophy's award recognizes accomplishment in all four areas of endeavor, recognizing a range of accomplishment that spans class placements (with competition) and qualifying scores, all the way through attainment of AKC and GRCA recognized titles, up to Show Dog Hall of Fame (SDHF), Obedience Trial Champion (OTCH), and National Amateur Field Championship (NAFC) level titles. *It must be noted, however, that it is the intent of this trophy, that it be awarded first and foremost on the basis of diversity of accomplishment, and secondly awarded on the basis of advanced proficiency in any one area of endeavor.* Thus, the Golden who attains a Companion dog title and a single breed class placement is to be regarded as being more of this trophy than the Golden who attains multiple Best of Breed wins. It is hoped that this trophy will encourage all Chesapeake Golden Retriever Club members to explore multiple areas of competition, and in this way better appreciate the versatility of the Golden Retriever and the incredible joy they can bring into our lives.
